

WHAT IS RENEW.ORG NETWORK?

Renew.org network is a collaborative community of church leaders, churches, and disciples of Jesus who rally together around the DNA of a *clear biblical theology* and the *mission of being and making disciples of Jesus Christ*.

MISSION *to renew the teachings of Jesus to fuel disciple making*

VISION *a collaborative network equipping millions of disciples, disciple makers, and church planters among all ethnicities*

WHAT IS A NETWORK? We are a voluntary association of church leaders who come together to help each other faithfully pursue Jesus' teachings and mission. We are a network that is growing as more and more connect with us through six channels.

1. DAILY DIGITAL COMMUNICATION

As disciples who make disciples, we at Renew.org publish daily posts, videos, eBooks, and podcasts. We send out weekly newsletters promoting our beliefs and mission to tens of thousands of disciples of Jesus and church leaders. Our content focuses on biblical teachings, inspiration, and cultural commentary.

2. PRINT BOOKS

We create and publish books for church leaders, churches and everyday disciples. Our books, as with everything we seek to create, focus on good theology through culturally relevant engagement. We seek to educate everyday disciples, serious laypeople, and parents so that they can be disciples and make disciples.

3. LEARNING COMMUNITIES FOR SENIOR MINISTERS/PASTORS

Hundreds of senior ministers/pastors cluster together in our many learning communities for support and training opportunities once every two months (in-person or online). The mutual support and encouragement in our shared mission are just as important as the teachings and trainings.

4. NATIONAL AND REGIONAL GATHERINGS

We host a national Gathering each year for teaching, inspiration, and encouragement. Additionally, we are launching regional gatherings, which will be led by church leaders from local Renew.org network churches.

5. MENTORING FOR CHURCH LEADERS/ELDERS

Through Renew.org connections and our partnerships, we offer mentoring for church leaders and elders in various models and strategies that increase the effectiveness of the local church.

6. RENEW MOVEMENT CHURCH PLANTING

Biblical disciple making means growth and multiplication, so network members banded together to catalyze Renew Movement Church Planting. Our vision is *churches collaboratively planting churches*. Each church will be launched with the same DNA and will be encouraged to freely associate with and help build the network.
